

Tell us about your care

The Care Quality Commission (CQC) is currently inspecting this service

CQC is the independent regulator of all health and care services in England.

As part of our inspection we want to know what you think about the care you have received from this service.

Please tell us about your experience of care by completing this comment card.

Your feedback will be treated confidentially.

We may not respond individually to your feedback but an inspector may contact you for more information if you have provided contact details.

Once we have completed our inspection we will publish a report on our website at www.cqc.org.uk.

Please return this comment card to the comment box. This box will be collected and seen by the CQC inspector only.

1. Please tell us what you think about this service (good and bad)

When providing comments please focus on your experiences in the past year and think about:

Were staff caring and did they treat you with dignity and respect? Was the environment safe and hygienic? Were you listened to? Were your needs responded to with the right care and treatment at the right time?

2. When does this comment refer to? month/year

3. About you (optional)

I am receiving/have received care or treatment here • Someone I know is receiving/has received care or treatment here • I work or have worked here • I have other professional experience of this service

Name: Trust or service this
